

LANDSCAPES From A Japanese Album

On sweet plum blossoms
the sun rises suddenly
Look, a mountain path. Basho

Deep in the temple
The sound of bamboo cutting
Cold evening shower Shoha

We stand still to hear
twinkle of temple bell
Willow leaves falling Basho

Morning-misted street
With white ink, an artist brushes
a dream of people Buson

All the world is cold
My fishing rod is trembling
in the autumn wind Buson

First snow last night
There across the morning bay
sudden mountain-white
See the red berries
fallen like little footprints
on the garden snow
Winter-ev'ning snow
The uncompleted bridge is all
an arch of whiteness Shiki-Basho

LANDSCAPES From A Japanese Album is dedicated to my parents
in appreciation of their love and understanding.
